

The Committee on Financial Services

★ Jeb Hensarling ★

Candidate for Chairman
113th Congress

Guiding Principles

Republican Policy Goal

Promote economic growth by fostering the deepest, most liquid, competitive, efficient, innovative, and transparent capital markets the world has ever known

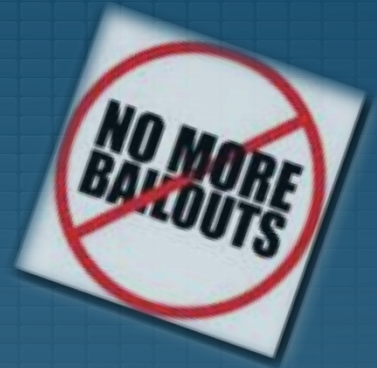

Legislative Priorities

- ✧ Restore market discipline to our capital markets by reducing moral hazard, crony capitalism and by ending “Too Big to Fail”
- ✧ Reduce the volume, weight, complexity and uncertainty of the red tape burden facing financial institutions, much of which is imposed by Dodd-Frank

THE WALL STREET JOURNAL.

“...Texas Republican Jeb Hensarling, who has long called for abolishing the bailout program.”

Legislative Priorities

- ❖ Gradually transition to a private competitive mortgage market by winding down Fannie Mae and Freddie Mac, reforming the Federal Housing Administration (FHA) and ensuring federal low income housing programs promote opportunity rather than dependency
- ❖ Redirect the Federal Reserve to a predictable, rules-based monetary policy that ensures long-term price stability and clarifies the lines between fiscal and monetary policy

The Washington Post

“Rep. Jeb Hensarling (R-Tex.), who has been one of the fiercest critics of the GSEs, or government-sponsored enterprises, on Capitol Hill...”

Why Me?

- ✧ Experience and Credibility
- ✧ Service and Leadership
- ✧ Innovation
- ✧ Communication

CREDIT UNION JOURNAL

“The role of anti-regulatory, free-marketer on the House Financial Services Committee has apparently been passed to Texas Republican Jeb Hensarling...”

Experience and Credibility

Active 5-term Financial Services Committee Member up to the Challenge of Leading the Committee

- ✧ Vice Chair (112th Congress); Subcommittee Ranking Member (111th Congress)
- ✧ Carried a community bank regulatory relief bill, major provisions of which were signed into law in 2006
- ✧ Author of comprehensive legislation to reform Fannie Mae and Freddie Mac
- ✧ The first Member of Congress to introduce a comprehensive legislative alternative to TARP
- ✧ Recognized as having one of the first comprehensive GOP assessments of the root causes of financial crisis

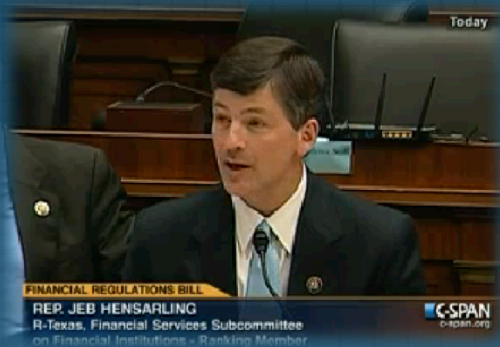

AMERICAN BANKER

“[Jeb Hensarling] has forged a reputation as an active committee member who chooses his battles wisely and takes time to learn the issues...”

Experience and Credibility

Active 5-term Financial Services Committee Member up to the Challenge of Leading the Committee

- ❖ Served as a conferee to the Dodd-Frank Conference Committee and co-authored the Republican alternative to the Dodd-Frank Act (H.R. 3310)
- ❖ House Republican Appointee, Congressional Oversight Panel for TARP (111th Congress)
- ❖ Experienced in presiding over committee markups and managing bills on the floor

“Hensarling was at the forefront of the GOP’s unanimous opposition to financial regulatory reform.”

Service and Leadership

- ✧ Chairman, Republican Conference (112th Congress)
- ✧ Chairman, Republican Study Committee (110th Congress)
- ✧ Chairman, Republican Study Committee Budget & Spending Task Force (109th Congress)
- ✧ Member of the House Budget Committee (108th Congress – 111th Congress)

"Hensarling forcing Barney Frank to foul out in the first quarter is a good sneak peak at what the committee debate will look like under a Chairman Hensarling," a House Republican aide told The Washington Examiner.

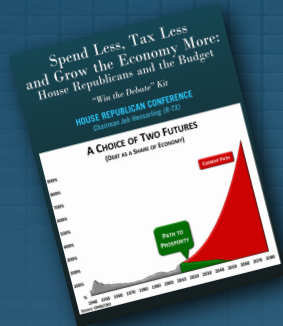

Service and Leadership

- ✧ Vice Ranking Member, Budget Committee
- ✧ Deputy Whip Team
- ✧ Chairman, House Republican Conference Advisory Committee
- ✧ Member, Whip's Economic Advisory Working Group
- ✧ Member, House Republican Conference Tiger Teams
- ✧ Member, America Speaking Out Advisory Group
- ✧ Co-Chairman, Joint Select Committee on Deficit Reduction
- ✧ House Republican Appointee, Simpson-Bowles Commission
- ✧ Conferee, the FY2010 Budget Resolution Conference Committee

Innovation

- ❖ Founded GOP Conference Member Services University
- ❖ Created “Win the Debate Kits”
- ❖ Initiated a comprehensive, third-party survey to improve Conference products and services
- ❖ Developed a new streamlined process of providing Constituent Work Week kits
- ❖ Founded the Golden Hard Hat program

Innovation

- ✧ Established a working group for member retreat planning
- ✧ Provided Conference with macro-messaging guidance at the beginning of the year that proved to drive paid media for the general election campaign
- ✧ Created new RSC task forces to utilize member talents
- ✧ Expanded the RSC Founders group

**AGGRESSIVE
COALITIONS
OUTREACH**

- ❖ Conduct individual meetings with all FSC members at the outset of the 113th Congress to ensure the committee understands each Member's individual goals and each has an opportunity to have meaningful participation in the committee's work
- ❖ Invigorate the new Member orientation program and ensure that it aligns with the goals of the Conference
- ❖ At the outset of the 113th Congress, forge consensus on the committee's vision, goals, strategy and legislative priorities
- ❖ Establish an ongoing "Financial Services Policy Forum" modeled after Conference Member Services University
- ❖ Establish regular committee member meetings to improve both internal and external communications and to measure committee success
- ❖ Provide dedicated and aggressive coalitions outreach

My Commitment

As the Financial Services Chairman, I will...

- ❖ Listen before I lead
- ❖ Be held accountable for the position of trust
- ❖ Help committee members achieve their goals
- ❖ Empower all conference members to win the debate before casting their vote
- ❖ Ensure the committee truly makes a difference in advancing our principles
